## PROTECT YOUR HEARING!

These Vic Firth Stereo Isolation headphones drastically reduce the level of external sound reaching the musician's ears, offering valuable protection from potential damage. Unlike non-isolation headsets, where musicians typically crank the volume to very high and potentially damaging sound levels in order to hear the music clearly, the SIH1 allows you to play along with the recorded music or monitor other performers in a live situation at comfortable and safe sound levels.

When it matters, choose

**VIC FIRTH®**

# The Commandments of R&B Drumming Series

*Masterpieces of Biblical Proportions!*

Take a Guided Tour Through the History of Early Rhythm & Blues, Rock & Roll, Soul, Funk, and Hip-Hop!
